

## 4 User Manual

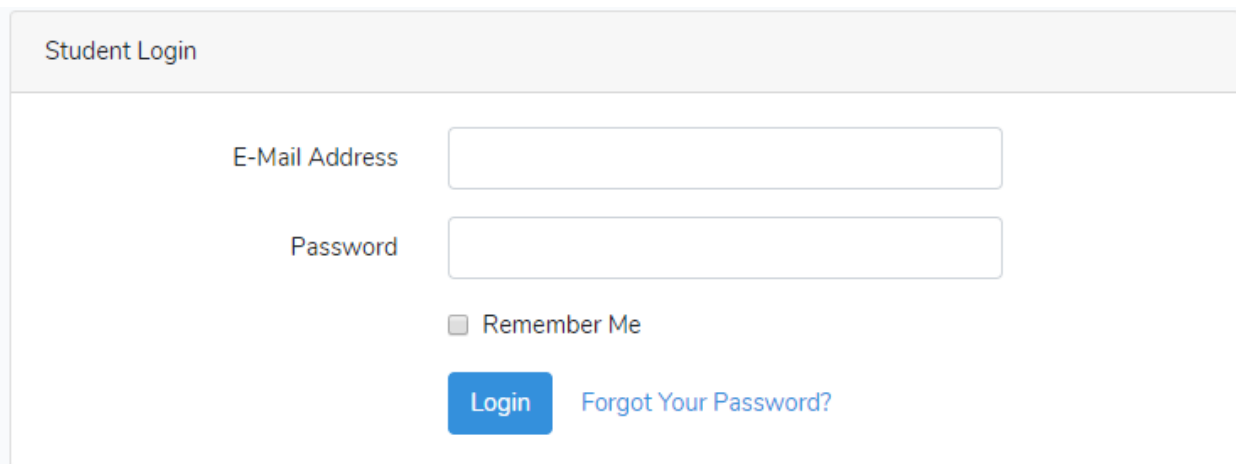

User should register first to use the system by filling the form below and clicking register button the process is same for all types of user which shown in image below:

The 'Student Register' form is a light gray rectangular box with a title bar at the top. It contains four text input fields stacked vertically, each with a label to its left: 'Name', 'E-Mail Address', 'Password', and 'Confirm Password'. The 'Name' field is currently active, indicated by a blue border and a vertical cursor. Below the input fields is a blue rectangular button with the text 'Register' in white.

Figure 1Register User

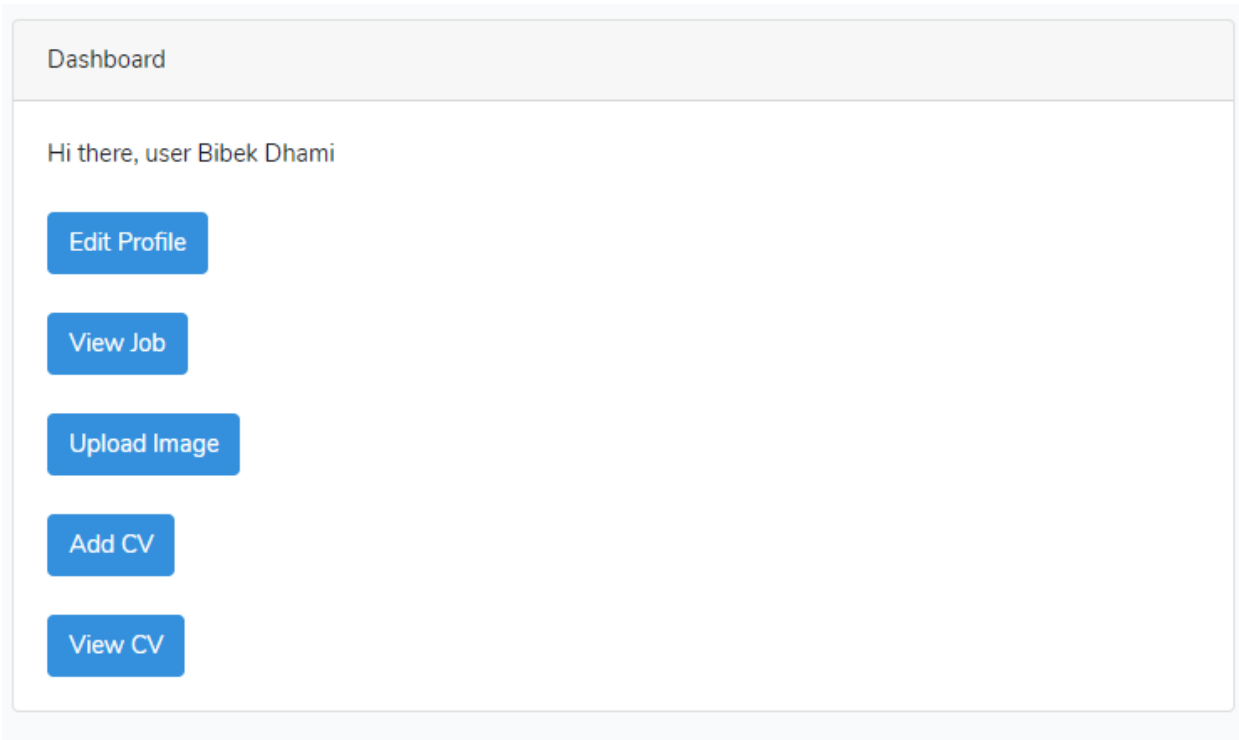

After Registering user can successfully login from their respective login form to login fill the details shown in login form and the you will be redirected to your respective dashboard. As shown in snapshot below:

The 'Student Login' form is a light gray rectangular box with a title bar at the top. It contains two text input fields stacked vertically, each with a label to its left: 'E-Mail Address' and 'Password'. Below the input fields is a checkbox labeled 'Remember Me'. At the bottom of the form are two elements: a blue rectangular button with the text 'Login' in white, and a text link 'Forgot Your Password?' in blue.
